## Government Isn't So Simple

In the Edmonton Journal of Monday, July 30th appears an editorial with the above heading, which deals with our recent crisis in town affairs and the best type of government for St. Albert. It condemns the Manager-Council system of local government (as we had in St. Albert for nearly six years) and it blows the trumpet in praise of "the Commissioner-Council" form of Government, which has proven over and over again to be the best form of government in the City of Edmonton. It "provides an ingenious and responsible form of grass-roots democracy" which are the concluding words of the editorial. We have read this editorial over and over again, trying to understand what the editor has meant. We also have talked it over with many qualified citizens, asking what they thought about this editorial, but practically all of them had the same thought as we, that this editorial is a completely mysterious epistle with many contradictory thoughts. The advice in this editorial does not help St. Albert at all, because it makes our special case more complicated than ever. For the very reason that our former Board of Administrators and our current Council are deeply convinced that "government isn't so simple" for the fast-growing community of St. Albert, they used the Manager-Council system to be assured that at least one professional, steeped in municipal administrative practice, would be on hand to ensure the citizens of St. Albert of a smooth running, professionally guided municipal government.

This effective form of management of the Town of St. Albert is not only praised by many of our own citizens, but also throughout Alberta and even in Eastern Canada it has been cited as an example of wise and carefully thought-out management, by the Community Planning Association of Canada, who are meeting in Edmonton in September and plan to include a tour of St. Albert in their itinerary. The praised system of "Commissioner-Council" is, in principle, just the same as the Manager-Council system with only the difference of name and salary. (both systems use highly paid professionals) but in this case Edmonton has three commissioners and St. Albert one "commissioner (manager)". The "so effective" commissioner-council system is the kind of government used by many CITIES but cannot, under the Town and Village Act be applied here. Therefore, we have the same most effective form of administration in the manager-council system. We are thankful for the editorial, in that it mentions the form of government which we have here in St. Albert is to be praised. Each form of municipal government can be condemned if personal conflicts and animosities kill the system. Without such an inadmissible evil, each system will have good results, if mayor and council, manager (or commissioner) will cooperate for the sake of the Town and City and carry out their duties as laid down by law, convinced that "government is not so simple".

We would like to express our regret over the fact that the editorial not only brought us nothing new but failed to solve any of our present difficulties. It only added to our confusion.

## System May Be Changed

The last meeting of our council undoubtedly has proven that the Mayor and Councillors are convinced that the Manager Council system is the most ideal and logical form of municipal government for our town of St. Albert. What is the reason that another type of government (Council-committee) came under discussion, although different councillors state that they had not the experience, ability and time to make a council-committee system work for St. Albert. Council members may personally supervise the carrying out of Council policy in the smaller municipalities, but this is impossible in a community of any considerable size to the extent that was possible before skilled techniques and scientific knowledge were such important factors in the operation of municipal services. Therefore, why should a change to this form of government ever be brought up and why must our citizens be so unnecessarily upset?

**EDITORIAL**

In the platform of the Civic Electors' Association, no mention was made of any radical change in our system of administration, and it was not brought up during any election meeting.

Councillor Stewart is to be commended for emphasizing that we should consider these matters without any personal feelings, which we consider to be the only approach in this impasse.

**DRESS REGULATIONS**

We have no intention of discussing the recent court case concerning School Dress Regulations until we are in a position to examine a complete written ruling by Mr. Justice Milvain, who upheld the right of school boards to make such regulations in Supreme Court this week.

When Council met in special session on July 30th, Mr. Veness formally announced the resignation of Mr. Gordon Parkes, the Town Secretary-Manager, which was submitted and subsequently withdrawn at the last meeting but which was re-submitted to the mayor the following morning.

Councillor DeBruijn asked Mr. Parkes if he was willing to continue in office until January 31, 1963, and Mr. Parkes said yes, until a satisfactory replacement is found.

Dr. Skrobot asked him if he thought the Manager-Council system the best for St. Albert and Mr. Parkes replied he still thought that at the present time

type of government has proved itself efficient for St. Albert. He further stated "it is my wish to leave as soon as possible."

A motion, moved by Mr. DeBruijn "that we accept the resignation of Mr. Parkes with regret and find a suitable replacement as soon as possible." Mayor Veness asked him if he would withdraw the second part of the motion, but Mr. DeBruijn refused and withdrew his whole motion. Mr. Whetting moved the acceptance of Mr. Parkes resignation. Carried. Mr. DeBruijn moved that we advertise for a replacement for Mr. Parkes in the appropriate professional journals. This motion caused an hour and 45 minutes discussion.

When Mr. DeBruijn's motion was put, it was supported by Dr. Stewart, Mr. DeBruijn and Mr. Howell. It was opposed by Dr. Skrobot, Mr. Whetting and Mr. Knappe and by the mayor's casting vote.

After coffee break the Council showed unanimous (in a straw poll) that they favoured a manager council type of Government. The Mayor himself said "I abhor" the Committee form of Government. Dr. Skrobot asked if any communities in Alberta used the manager Council type of government and was told that "Hinton", Bowness, Grande Prairie and Lethbridge are governed in this manner.

Mr. DeBruijn said we should make a study of methods and only change after such a study but in the meantime should work on a replacement. Dr. Stewart referred to a study by the University of Toronto favoring the manager-council system. On being questioned, Mr. Parkes acknowledged that a "failure of communications" was one of the important aspects in this case. He had heard the mayor on a number of occasions ask the Board of Administrators how much time they wanted him to spend in the office. Mr. Veness said that Mr. Parkes did not give the whole story. The Board wanted him to spend more time in the office, but as he said "I have to consider a livelihood". He said the Board had felt the Mayor should be there at all times when they and the Secretary-manager were having major discussions and meetings on main developments and that sort of thing. He asked "Are you willing to pay for this sort of service if you get it?" He further stated at one point that he believed we would end up with government by mayor and committees.

The Mayor suggested that the defeated motion of Mr. DeBruijn be brought before Council at its next meeting.

A motion by Dr. Skrobot ended the discussion by proposing that the matter of whether or not a replacement for Mr. Parkes should be sought, be discussed at a further meeting of Council to be held on Wednesday, August 8th.

# Civic Holiday

## CIVIC HOLIDAY IS FOR EVERYONE!

Monday August 6th, St. Albert's 101st Birthday Party should please every member of the family. From the parade in the morning to the big Bonfire at night and a big dance in the Community Hall to wind things up, no one is forgotten.

## PARADE FEATURES MANY FLOATS.

So far there are about 35 entries in the big parade which gets under way at the Sir George Simpson School at 10:30 A.M. It will follow Grosvenor Blvd. down to Grandin Road, turn onto McKenney Ave. and then onto Piron Street which it will follow across the river to Mission Park, which will be the scene of many of the activities of the day. The parade will feature decorated floats from local businesses and organizations, antique cars from the Edmonton Antique Car Club, decorated bicycles, bands, marching groups from organizations, comica -- everything you like to see in a parade. En route many favors will be distributed among the on-lookers.

## ST. ALBERT 101st NATIONAL BANK

Headquarters for the sixth will be the St. Albert 101st National Bank, located in the A. B. Blair Insurance Office. Members of the Chamber of Commerce will be in attendance to give information and for ticket sales. Tickets will be sold on a \$500.00 Camera outfit being given away by the Chamber of Commerce. A Prize-winning Shetland Pony is also being drawn for, arranged by the St. Albert Branch No. 271 of the Canadian Legion. (We were informed by some one not connected with the sale that this pony is the holder of at least two red ribbons).

## MANY DISPLAYS

A corner lot on Mission and Piron, across the Sturgeon, is being prepared for displays which will include the Antique Cars so all you car buffs can take a good look at them, Farm Machinery and the like. More favors will be given away here, too.

## SPORTS A MAJOR FEATURE

**TUG-O-WAR.** The St. Albert Chamber of Commerce has issued a challenge to the Jasper Place Chamber, which we understand has been accepted. Via the grape vine route we hear that the Jasper Pl. boys are coming with blood in their eye and the intention of dragging the St. Albert team all around town at the end of the rope. They'd better not boast too soon, because we also have heard that Mr. A. B. Blair, one-time member of Championship Tug-O-War teams in Ontario, is coaching the local outfit!

## BASEBALL FOR YOUNG AND OLD.

During the afternoon Little League and PeeWee Baseball games will be featured scheduled as follows:

12:00 to 2:00, Little League game with six All Star Players from each of the five House League Teams formed by draw into two 15 member teams.

2:00 to 4:00. The Knights of Columbus Bantam Team will play the Fire Department Bantams.

4:00 to 6:00 Brewster Construction Bantam Team will play the Youville Angels Midgets.

6:00 P.M. the men will take over the sports field with a senior baseball game between the Town employees and the Fire Department. This also shapes up as a challenge affair with both teams uttering threats (or at least loud boasts) about how the other will be whitewashed.

## HORSESHOE TOURNAMENT OFFERS CUP.

A Challenge trophy is offered by the St. Albert F.U.A. to the winners of the Horseshoe Tournament which starts in Mission Park at 1:00 P.M.

## TWO NEW FEATURES ADDED TO PARADE

Twenty Highland Pipes from the city are planning to take part in the Parade and remain in St. Albert all day, providing entertainment with pipes and Highland Dancing in front of the Community Hall.

The talented riders of the South Edmonton Saddle Club are taking part in the Parade also. Their beautiful horses with finely decorated saddles and bridles will add greatly to the parade. The riders plan to put their mounts through their paces with show and trick riding at the Lions Park during the afternoon.

## A PLAQUE TO BE PRESENTED FOR BEST ENTRY

A Plaque is to be presented by the St. Albert and District Chamber of Commerce for the best parade entry. This will be given at 12:00 o'clock noon in front of the Community Hall, at which time Mayor Vanness and Mr. Keith Everitt, M.A. will declare proceedings of the day officially open.

## ST. ALBERT COMMUNITY LEAGUE DANCE

There will be dancing in the Community Hall at 10:00 P.M. in conjunction with Civic Day. Music by the Combo-ettes Admission \$1.00. There will be a Free Lunch. At 12:00 o'clock midnight, the raffle draws will be made and distribution of the days' prizes will be made. Everyone is welcome.

# "Watch" for our GRAND OPENING VILLAGE LAUNDROMAT

**COIN  
OPERATED DRYCLEANERS**

**PHONE 599-7390  
GRANDIN SHOPPERS PARK**

Mr. Chat Lunt, owner-manager of St. Albert's newest business, the Village Laundromat, stands in front of his new premises in Grandin Shoppers' Park. The Village, featuring the very latest in coin operated laundry and dry cleaning equipment, will open for business in a few days.

## THE VILLAGE LAUNDROMAT TO OPEN SOON

St. Albert residents hope to enjoy by the end of this week the finest coin-operated laundry and dry cleaning facilities in Western Canada. As Mr. C. B. Lunt, the proprietor and manager of The Village Laundromat laughingly told us "St. Albert residents deserve the very best", but in a more serious vein he added that a most careful survey showed that St. Albert present a splendid opportunity for this type of business.

Modern it certainly is. The equipment includes four Westinghouse Laundromat coin operated dry cleaning machines, each capable of handling an eight pound load which includes up to 11 ladies'

resses, or 10 coats or 32 blouses, or six pairs of slacks, or 18 children's dresses, need we go on? Drapes, slip covers, shag rugs, comforters, all can be handled, or any combination of articles, as colors do not run in this process. An attendant will be in attendance at all times who can advise as to materials, buttons, belts, etc. Cost of a load? Just \$2.00. Then there are 10 Westinghouse Laundromats each able to handle a 9 pound wash. Your reporter has used a Laundromat machine for years and can tell you just how efficient these are for all your washing needs. There is a big Extractor which can handle up to four average washer loads and cut drying time by as much as 20 minutes, saving 20¢ by spending 10¢ as it were. Unique in Western Canada is the big Washette, in which up to 25 lbs can be washed at once. This is particularly useful for shag rugs up to 9 x 12, heavy washable drapes and the like.

The surroundings in which these operations are carried out is particularly pleasing. At the front entrance there is an "S" shaped divider wall featuring a planter. Comfortable settees and chairs are there with tables and ash-receivers so that customers can wait for their work to be done in a relaxing social atmosphere. One wall of the lounge is pechen beige and the long east wall is antelope beige, along which are ranged the washers and the big Washette. On the opposite wall the coin operated dry cleaners, the extractor and the big dryers are recessed, in a wall panelled in Starboard. Other panelling is in masonite finished in butternut pattern. The floor is Havana White tiling.

Dispensers carry favorite detergents. "All" is featured, as its low-suds and high detergent value are particularly suited to front-loading washers like the Laundromats.

Mr. Lunt operates another laundromat and dry cleaner business in Lynnwood subdivision, Edmonton, and has extensive previous experience in the business, so can offer St. Albert residents the ultimate in service of this kind. We congratulate him and ourselves on this addition to our facilities.

### BONFIRE AND FIREWORKS IN EVENING.

To conclude the outdoor fun, the Town of St. Albert, is providing a fireworks display and the Fire Department will have a big bonfire, around which there will be a monster singsong, featuring the St. Albert Orioles.

### STREETS TO BE DECORATED.

A mile of plastic pennants has been secured, which is being provided, courtesy of the Downtown Business Men, recently organized into a group of their own. They also are planning extensive decoration of their own business premises. Pennants will be stretched on the highway, along St. Anne St., in the business section and in Mission Park. A sign has been erected at the south town limits, and other signs are planned together with banners and bunting. In Grandin Shoppers' Park there will be pennants and decorations and the merchants there are entering a decorated float.

DANCING TILL TWO with buffet lunch, is being provided by the St. Albert Community League to round out a full day with, as we said, something for everyone.

**AREA ORGANIZE**

The businessmen of St. Albert's downtown shopping area have formed themselves into an organization. Their aim is first to encourage location of future business establishments in the downtown area; Then, to improve the downtown shopping facilities by way of service and by making the area in general more attractive to the shopper, and last, to promote a better understanding amongst the downtown businessmen and to thus help one another with problems peculiar to each business.

The downtown merchants are cooperating in the decorating of Piron St. from Imperial Lumber to Mission Ave. and St. Anne Street from the highway to Piron. They will also have several booths located in the area on Civic Day, August 6th, at which the citizens of St. Albert may try their luck or test their skill. Also on the agenda for the day is a friendly competition amongst the proprietors for the best dressed (decorated) store in the downtown area. As a reward, a trophy will be awarded annually to the winner.

Elected to the executive of the new group are Maurice Belley, President, Gerry DeWitt, Vice President and Rod McPhatter, Secretary-Treasurer. Directors are Gene Perron, Alex Wallace and John Lavoie.

### ALBERT SWIMMERS ON TV

Five days a week a school bus full of St. Albert boys and girls go to the YMCA pool for Learn-to-Swim classes arranged for them by the School Board of the St. Albert Protestant Separate School District. Over 200 youngsters have taken advantage of this chance and are having the time of their lives. On Monday morning members of the class had an extra thrill when they found the cameras of CBX TV trained on them. The lucky ones had the chance to see themselves on Monday night.

### MR. AND MRS. NEIL ROSS HAVE 25TH ANN.

Mr. and Mrs. Neil Ross of St. Albert who were married at St. Martin's Church in Vegreville 25 years ago held their Silver Wedding Anniversary this week. The Anniversary Mass was celebrated

in St. Albert by Monsignor Joseph Malone, who performed the Wedding Mass 25 years ago. Soloists were Mrs. Angus MacDonald and Master Michael Ross, youngest son of Mr. and Mrs. Ross. Following the Mass a luncheon was held for the immediate family. In the evening Mr. and Mrs. Ross entertained at dinner and a reception in The Captain's Cabin. During the evening they were the recipients of a number of gifts including a chest of flatware from the family and friends in the City and a very lovely silver tea service from St. Albert friends. Guests were present from Vegreville, Wetaskiwin, Lacombe and Vancouver. Among the guests was the bridesmaid of 25 years ago, Mrs. Marcel Bernier, of Lacombe, Alberta.
